Hello friends,

*Can you believe that it is January 2009. **Christmas** has come and gone again. I hope you all had a wonderful **Christmas**. I wish everybody really understood what **Christmas** is all about. It is about our Lord and Savior that was born to live and die for us, and he arose on the 3rd day to lay the plan of salvation for us, that we may be saved. Now this is just a scratch of the surface of what he has did for us, so don't you think we can at least give him the **Praise** that he deserves. Please tell your children what **Christmas** is really about. Hey tell the adults too if they need it, believe me a lot of them do.*

I would just like to take a moment and tell you that we had a great year in 2008. God blessed us ,as always. We had a very busy year but a good one. We took a 4 week break to get some rest and spend time with our family and love ones in December. We would like to take this time to thank each church and person who have helped support our ministry over the years. Many of you have been behind us from the beginning, we couldn't do it without you. We truly thank you for everything you have did for us. We ask you to please pray for our ministry daily.

Our annual homecoming singing this past November with the Dove Brothers quartet was a huge success again. We had a great time and got to see some of you that we hadn't got to see in a while. We thank you all so much for coming out and supporting us. Now I have some exciting news to tell you about this years homecoming singing. On Friday night, October 23rd 2009 our guest is going to be the Kingsmen Quartet from Asheville, NC. We are excited about having them with us. The Kingsmen have been around for a long time and have had hit after hit over the years. Mark it on your calender for October and plan on being with us. We ask you to please come out and support our ministry.

2009 looks like it is going to be a very busy year for us. Believe it or not we already have about 28 bookings for this year. If you would like to book us for your special event this year give us a call. I'm sorry that some of you were not able to book us last year because we were booked on the dates you wanted us but here is your chance. Don't wait to late again this year, get your name on the book now.

We look forward to seeing you this year. Don't forget you can go to our website and keep up with our schedule to see where we are going to be. If you can't come out and see us please keep our ministry in your prayers. Just so you know we love getting your letters of encouragement and calls.

May God Bless You & We Love You, Todd, Shane, Mickey and Bo. TSQ
